Edgar Cayce Canada (ECC)

Mission: *"To encourage exploration and application of the principles in the Edgar Cayce Readings"*

Edgar Cayce Canada is an International Centre of *Edgar Cayce's Association for Research and Enlightenment (A.R.E.).* The Cayce 'work' has been going on in Canada for over 50 years. Pioneered by Canadian students of the Cayce material, it blossomed from the many thoughts and prayers of individuals. By the year 2000, it had grown to a size requiring incorporation and it became a legal entity now known as Edgar Cayce Canada, a non-profit organization. The organization is operated entirely by volunteers pursuing their passion for making information available to seekers in Canada, and its many programs are funded and sustained by the generous financial and in-kind support of its members.

Membership is open to any person interested in furthering the mission of ECC. Members receive a **10% discount** on this conference's tuition.

About Edgar Cayce

Edgar Cayce was able to enter a self-induced trance-like state that enabled him to place his mind in contact with an unlimited source of information. He left us a wealth of material in the transcripts of over 14,000 of his 'readings.' These readings cover hundreds of topics, including health and healing, finding your life purpose, spiritual growth and development, creativity, world events, relationships, dreams and service.

In 1931, Edgar Cayce with friends founded the *Association for Research and Enlightenment* (A.R.E.) which is an international, non-profit, non-sectarian membership organization headquartered in Virginia Beach, Virginia with members in 80 countries and 37 International Centres around the world. Its mission is to promote the dissemination, study and application of the information contained in the psychic readings of Edgar Cayce.
