Your Opportunity to Experience an Inspiring and Fun-Filled Day of Soul Awareness and Personal Growth...

Are you living the life your soul meant for you to live? Edgar Cayce had a great deal to say about the purpose and meaning of life. According to his readings, we reincarnate many lifetimes attempting to master the earth dimension and its intricate laws and patterns. These laws and patterns are the **Universal Laws**—the master spiritual laws that are the unbreakable, unchangeable principles of life that apply to all phases of our life and existence, everywhere, all the time. But we are not here to feel victimized by physical events and circumstances—but rather to **take charge of our own lives** and creatively serve the ideals of Spirit.

In this symposium, you will learn to understand and embrace these and other life-changing principles, and gain ways to stop struggling to “swim against the tide” but to instead “go with the flow” of the Divine spiritual matrix, and **embrace your true limitless potential!**

- Understand the meaning of Universal Laws and how you can **apply them to your daily life** for

more harmony, peace, and prosperity

- Learn how the **Aquarian Age** we now live in offers us a unique opportunity for transformation
- Realize the **power of thought** to shape and transform your daily life
- Recognize the importance of your **attitudes and emotions** on your spiritual path
- Learn the role of ideals, forgiveness, and loving service to **our soul’s journey**
- Establish **realistic, practical goals** that make life more meaningful day by day

You have everything you need to realize your unique purpose and mission for this incarnation and even have the potential to **complete your mission on this earth**, should you choose. But much is up to us and our ability to focus the creative power of our thoughts and our mind. Through lecture, experiential exercise, and guided meditations, Peter brings his practical wisdom, depth of knowledge, warmth, and humor to deepen the effectiveness of experience. **Join us** for this transformative and enriching event!

Don't miss this exciting event – a fun-filled day exploring your own soul growth and examining how you can work with Universal Laws in the earth, raising your consciousness and unleashing your true potential in the process!

Bonus:

Don't miss Peter reprise his role as Edgar Cayce. In this amazing transformation Peter becomes Edgar Cayce and brings to you a direct personal experience of being in the presence of “The Man” himself.
