

Edgar Cayce Canada

Our Mission:

'To encourage exploration and application of the principles in the Edgar Cayce readings.'

The 'work' of Edgar Cayce has been going on in Canada for over 40 years. Pioneered by Canadian students of the Cayce material, it blossomed from the many intuitive thoughts and prayers of individuals. By the year 2000 it had grown to a size that required incorporation and became the legal entity now known as Edgar Cayce Canada (E.C.C.). The organization is operated entirely by volunteers pursuing their passion for making the information available to seekers in Canada, and its programs are funded and sustained by the generous financial and in-kind support of its members.

Edgar Cayce Canada sponsors various events, including the annual Canadian Fellowship Conference which is the flagship conference of the organization.

Edgar Cayce Canada is a membership-driven organization governed by a Canadian Board of Directors. An Annual General Meeting is held each year, which all members are encouraged to attend to make their views and wishes known.

Who was Edgar Cayce?

Edgar Cayce was able to enter a self-induced trance-like state that enabled him to place his mind in contact with an unlimited source of information. He left a wealth of material in the transcripts of over 14,000 of his "readings." These readings cover hundreds of topics, including health and healing, finding your life purpose, spiritual growth and development, creativity, world events, relationships, dreams and service.

Edgar Cayce Canada is affiliated with Edgar Cayce's Association for Research and Enlightenment, Inc (A.R.E.) in Virginia Beach, Virginia, U.S.A.

The A.R.E. was founded in 1931 to preserve, research and make available the readings of Edgar Cayce. It continues to index and catalogue the information to initiate investigation and research, to promote conferences, seminars, and lectures.
